Dear Vincent

We try to talk with the thermal ticket printer supplier to custom your logo. but they require at least purchase at least 5 pcs machine. so this time can not do that for you.

later we will ask the shipping company to booking the shipping space. once they come to pick up the machine and deliver to you. we will let you know

many thanks

Jin

Hi Jin,

No problem regarding the custom logo; I saw a video on how to program it, so I will take care of that myself.

Regarding the software, could you confirm that Fusion 4 includes five games? I recall we originally discussed Fusion Plus but you told me that The cabinet was too narrow to fit. then you said you'll give me and then Fusion 6 Hot Games, but if Fusion 4 is what is ready, that is fine.

For shipping, I assume you will be using ocean freight plus express delivery? My previous shipments typically departed from a warehouse in Dongguan via Yantian port to the United States, with FedEx as the final carrier. Please let me know if this will be the same and provide the tracking information once it is available.

Thanks again, and have a good day.

Best regards,

Vincent Mennecke

Good day

Vincent.your 1 piece machine has already packing.pls check the attached pictures. This game is Fusion 4 5 in 1. why we can't choose the fusion plus or the fusion 6. as fusion plus and fusion 6 use the computer host box. that's too large .can not install inside the cabinet. So we have choose the also popular right game fusion 4 for you . <https://www.gametube.shop/product/fusion-plus-5-in-1-multi-game-arcade-pcb-high-performance-vertical-slot-motherbo-p5>

When next week arrange shipping. i will let you know and send you the bill of lading.
