

ULTIMATE BOXER FIGHTER

Premium Coin-Operated Punching Strength Tester

Factory Direct Price | High Precision Sensors | Globally Certified

Product Overview

The **HomingGame Ultimate Boxer Fighter** is a high-earning, durable arcade machine designed to test and display a user's punching power. Featuring a sleek fiberglass cabinet and advanced pressure-sensitive technology, it provides instant feedback via a high-brightness LED score display and atmospheric voice effects.

- **High-Precision Sensors:** Accurate measurement of force for fair and competitive play.
- **Reinforced Mechanics:** Industrial-grade leather bag and heavy-duty arm designed for millions of cycles.
- **Dynamic LED Lighting:** Vibrant, multi-color LEDs attract players in low-light environments (Bars, FECs, Arcades).
- **Flexible Payment:** Supports coin, bill, and card reader systems globally.

Field Installation Preview

HomingGame machines installed in a high-traffic family entertainment center.
